

BRUTE 3012/4009

Mountable & Van SKID Jetters

Choose from: 2 Brute SKID Versions

12GPM 3000PSI • 9GPM 4000PSI

Each Model Features:

- **All Panel-Mounted Jetting-Controls & Engine-Controls** (Engine on/off, Throttle, Pressure, Pulse, Flow, and reel-wind)
- **Fuel-Injected Kohler Engine: 747cc, Air-Cooled, Twin-Cylinder OHV, with Electric Key-Start**
- **Auxiliary Water-Tank Inlet-Manifold**, with valves & return ports for Hose-Connections
- **Pulsation System** - Adjustable - to help move the nozzle through turns and blockages in the pipe
- **12-Gallon Water "Buffer" Tank** with Float-Valve -
- allow for filling direct from a hose-bib
- can be used as an Anti-Freeze tank instead
- **300 feet of Low Friction Jetting Hose**; 3/8" or 1/2"
- **12-Volt Power-Rewind Hose-Reel** (standard)
Optional: Adjustable-Speed 12-Volt Reel
- **Long Lasting UDOR Super Duty Triplex Pump** with RPM-Reducing Gear-Drive
- **Pressure Regulating & Control Valves** - "return-to-tank" Types that eliminate heat buildup
- **5-Gallon EPA/CARB Fuel Tank** installed
- **Exhaust Extension** to direct exhaust out the front of the jetter
- **Includes 4 Jetting Nozzles, Tip-Cleaner & Extension**

Side of Brute Jetter

Optional Brute Tank Skids

Designed for maximum Space-Efficiency in your Van:

our optional *Water-Tank Skids* (100, 150, or 200-Gallon) are separate of the *Jetter-Skid* and connected by 2 hoses, allowing you to lay out the 2 Skids in various configurations for Maximum Floor-Space; the *Water-Tank Skid* and the *Jetter-Skid* can be side-by-side, back-to-back, or even on opposite ends of the floor – which ever fits best for you!

MODEL	GPM	PSI	HOSE SIZE
JNW-SKID-3012-x	12 GPM	3000 PSI	1/2" x 300 ft. (400 opt)
JNW-SKID-4009-x	9 GPM	4000 PSI	3/8" x 300 ft. (400 opt)
JNW-SKID-3508LP-x	8.5 GPM	3500 PSI	3/8" x 300 ft. (400 opt)

All Operational controls are mounted on the front Control Panel

Ports for easy connection to a larger water-tank

**Optional WIRELESS
REMOTE CONTROL!**

Superior Construction and Design, makes our Jetters the most powerful and reliable jetters you can buy...
